

Kazutaka Ikeda

Film Director

Kazutaka Ikeda offers a wide range of different styles of animation whether it's 2D/3D, motion graphics, or stop motion, and has a knack for creating charming concepts for his projects. His portfolio includes TVCs, opening movies for games, PVs for web, as well as introduction movies for events. Besides working for Japanese Ad Agencies, he has worked for some of the world's most recognized brands such as TOYOTA, Nintendo, KONAMI, SEGA, Nikon, EPSON and Fujitsu.

He has experience in international collaboration with 3DCG studios around the world (Germany, Thailand and Malaysia), and uses this to achieve the best and most cost effective results.
